

Application for Non-Profit Site Repairs

Rebuilding Together Fairfield County is a leading national volunteer organization and home repair program. In partnership with local sponsors and volunteer groups, we preserve and revitalize houses and communities in Fairfield County, assuring that low-income homeowners, particularly those who are elderly, with disabilities or who are families with children, live in warmth, safety and independence. In addition, we work to improve the physical sites of non-profit agencies.

Non-profit guidelines to qualify:

Organization or agency must be designated as non-profit with 501(c)(3) status.

Organization or agency must demonstrate a commitment to community involvement.

Organization or agency repairs can be accomplished by volunteers in a pre-determined time period.
